

Community open houses

COME ASK YOUR QUESTIONS AND LEARN ABOUT CANADA'S PLAN FOR USED NUCLEAR FUEL

Active public participation plays a central role as the Deep Geological Repository for Canada's Used Nuclear Fuel Project has entered into the federal regulatory process.

The Nuclear Waste Management Organization (NWMO) will host community open houses in Ignace, Ont., on Tuesday, June 16, 2026, and in Dryden, Ont., on Wednesday, June 17, 2026. These events will provide a venue to learn more about social and environmental baseline studies currently in progress.

Join us and ask your questions

- » Ignace: Tuesday, June 16, 2026, from 2:30 p.m. to 7:30 p.m. at the Ignace Learn More Centre, 304 Main St., Ignace.
- » Dryden: Wednesday, June 17, 2026, from 2:30 p.m. to 7:30 p.m. at the Best Western Plus Dryden Hotel and Conference Centre, 349 Government St., Dryden.

Your participation ensures that the project respects local needs, protects the environment, and supports strong communities.
