- 306 East St°

AND THAT dates for Council to consider Expressions of Interest for specific properties be set by the Clerk and advertised to the public,

AND FURTHER THAT the advertisements direct interested parties to review the Expression of Interest form and guidelines, with the understanding that substantial development is to occur on any sold properties within two years of purchase and that this will be stipulated in the agreements of purchase and sale.

UPDATED July 6, 2026

**Expressions of Interest and offers for light grey marked properties have been approved and they are in the process of being sold.*

°An Expression of Interest has been received for this property and will be considered after a valuation is completed.

Expression of Interest forms are available at the Township office or online at www.ignace.ca. Prospective buyers are encouraged to include as much information as possible about their proposed development projects to help Council make decisions.

Imagine you are competing against other buyers for the same property. This is your opportunity to pitch to Council why they should sell the property to you and how doing so would positively impact the Township of Ignace. This could include financial and social factors, like the offer price, the potential property value after a new home is built, an estimate of the tax revenue, the curb appeal of the home (include images if possible), the floorplan and how many bedrooms the home will have, how soon it will be constructed, if you have financing arranged, if it will be inhabited by the owners or rented out to tenants or short-term stays, etc. **Why is this project great for Ignace?**

Interested persons must **submit an Expression of Interest form** along with a **certified cheque, bank draft or money order for a deposit of at least 5% of the offer price** in a sealed envelope to the Clerk Treasurer at the Township of Ignace office at 34 Highway 17 W, Ignace, Ontario during regular office hours, Monday to Friday, 9:00 a.m.– 4:30 p.m.

Prior to submitting an Expression of Interest form, **interested persons are encouraged to contact Keith Roseborough in the Township planning department to discuss the two-year development agreement** and the assessed property value according to MPAC and the current appraised value, if available.

Under the Community Improvement Plan, Council is permitted to consider offers up to 90% below current value. However, Council may direct the Administration to negotiate sales at or above assessed values, and they are not obligated to sell any properties.

As per the approved procedure on the Expression of Interest form, offers will be presented to Council in a Closed Meeting. If multiple offers are received for a property, names and identifying information may be redacted in the Council package prepared by the Clerk to ensure fair consideration based on the merits of the proposed developments.

In considering an Expression of Interest, Council may choose to accept, reject or counter-propose. If multiple Expressions of Interest are received for one property, Council may consider all the options but may only direct the Administration to negotiate **one** Agreement of Purchase and Sale or counter-propose one offer and must reject the rest.

If an Expression of Interest is accepted by Council, the buyer name(s) and purchase price will be announced by the Clerk and recorded in the Open Meeting as a resolution emanating from the Closed session.

If Administration is directed to counter-propose an Expression of Interest, the resolution emanating from the Closed session will state this without disclosing the name of the buyer(s). The negotiated offer will be presented to Council for final approval and announcement at a future meeting, at which time the buyer name(s) and purchase price will be announced by the Clerk and recorded in the Open Meeting as a resolution emanating from the Closed session.

If an Expression of Interest is not accepted or negotiated by Council, it is considered to be rejected with no resolution required. The buyers will be informed and their deposits will be returned as soon as possible.

Intake Deadlines: UPDATED July 6, 2026

Expressions of Interest received on or after April 14, 2026, and at least two weeks before the next Regular Meeting of Council, will be considered at that next meeting, or a Special Meeting may be called.

Inquiries regarding this matter may be directed to:
