## NOTICE OF PUBLIC MEETING

### **Re: Agimak River/Pine Street Culverts**

The Corporation of the Township of Ignace is inviting the residents of Ignace to a public meeting to discuss issues with the Pine Street Culvert at the Agimak River Bridge. During the spring, the water levels were higher than usual, which caused some problems and raised awareness of the need to have the integrity of all culverts checked by an engineer.

JML Engineering Ltd. from Thunder Bay completed an inspection and will be on hand to speak to the issue of the failing infrastructure.

This meeting is open to all residents of Ignace and will be held at the Ignace Silver Tops Centre at 300 Pine Street on Wednesday, August 24<sup>th</sup>, 2022, at 6:00 p.m.

We welcome everyone's attendance and discussion on this critical matter.

Petrina Taylor-Hertz
