

## **Public Statement**

### **Pine Street Culvert Update for Community**

**August 15, 2023 – Ignace ON**

#### **Pine Street Culvert Update:**

The Township of Ignace is pleased to inform the residents of the community that the Tender for the replacement of the culverts has been issued and soon our team will be reviewing bid submissions.

The culvert materials and requirements for the project have been ordered and it is hoped that they will arrive at a time that will correspond with the awarding of the work to a contractor.

It is expected that work will start this Fall 2023 and it is expected that the project will be partially completed in 2023 allowing for vehicle traffic this winter.

Concrete and asphalt work will be completed in the spring of 2024.

Thank you for your continued support and patience.
