

PUBLIC INFORMATION:

LIGHTING AND LAMP REPAIRS AND MAINTENANCE – Hydro One and the Township of Ignace

Please note that the Township of Ignace has been requesting updates to maintenance work and repairs to lighting standards. The Township has been in discussions with its provider, Hydro One over the past few months.

We have now established that the work and repairs by Hydro One have commenced and maintenance and new lighting will continue over the next few weeks around the Township.

We will provide further updates as the work is completed by Hydro One.

Thank you, the Township of Ignace,
